Internship Completion Certificate

WDI-162

This is to certify that Mansi Vidyarthi, has completed an internship on Full stack Web application Development using HTML, CSS, JS, JQuery, PHP and MySQL at Calanjiyam Consultancies and Technologies from 10 Apr 2024 to 20 Jun 2024 (10 Weeks). The internship was centered around the following project: 'Tasks Management System'. The performance throughout the internship was good and contributed to the team's success and completion of the project by delivering assignments on time.

We sincerely hope Mansi Vidyarthi's career and future aspirations are met with success and fulfillment.
